COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure of dandruff or prevention of disease.

A Twice-Told Tale

One of Interest to Our Readers Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Galena woman is confirmed after passing years.

Mrs. J. L. Pickering, 902 Dewey Ave., Galena, Kas., says: "For weeks I suffered from an extreme lameness and terrible aching across the small of my back. I could hardly get up after sitting. Learning of Doan's Kidney Pills, I purchased a box and Doan's Kidney Pills went to the root of the trouble and removed it."

Trouble Never Returned Some years later Mrs. Pickering said: "I am still strong in my praise of Doan's Kidney Pills and recommend them at every opportunity. I haven't had need of a kidney medicine since I gave my former statement." Co., Mfgs., Buffalo, N. Y. 51 60c, at all dealers. Foster-Milburn

NOTICE

To the voters of Cherokee County: This is to remind you that I am a candidate for the office of County Treasurer. Because of the war activities there has been no political campaign and I have had no opportunity to meet many of you. The winning of the war means more to every good citizen than any political campaign or public office.

For the benefit of those with whom I do not have a personal acquaintance would say: I am the widow of the late John H. Hamilton; my three sons are in the service; there is no one left at home but my mother, my daughter and myself. On account of this situation in our home it was proposed that I enter the race for County Treasurer. I was honored with the nomination by the Republican voters at the August primaries.

If the voters entrust me with the office of County Treasurer, I feel confident that I can handle the affairs of the office in a manner that will meet with the approval of the public, and I hereby promise to faithfully discharge, to the best of my ability, the duties of that office.

Respectfully, ANNA B. HAMILTON.

Spanish Influenza Warning!

Ward Off the Attack by Keeping the System in Trim—Keep the Liver Active by Taking Naturalized Liver Tablets—If You Contract the Disease Call the Doctor

Lots of people in and around Joplin have escaped the attack of Spanish influenza who have been taking Naturalized Liver Tablets. It is admitted by leading physicians everywhere that if everyone who needs a purgative would take it before it is too late there would be less sickness and spread of contagious disease. The first step in the treatment of most any ailment is to give a good purgative. Don't take just a mild laxative; take something that will actually stir the liver. Naturalized Liver Tablets are guaranteed to act on the liver better than calomel and pills or your money refunded. They are small, active, safe and sure.

Get a bottle now and remove that poisonous bile and cold from your system before it is absorbed. If your system is allowed to absorb this poison, you are liable to have ailments of various kinds, often resulting in death. Naturalized Liver Tablets are sold at Scott's Drug Store in Baxter Springs, in 15c and 50c bottles.
